Rex Perry, Past President of Lima Rotary, and entrepreneur par excellence. He was the founder of the Perry Corporation, was an avid Rotarian and community ambassador. Rex was known for his love in assisting people to achieve their greatest life potential. He often served as a mentor to students in all walks of life. This golf outing is dedicated to his memory and his enthusiasm for teaching and learning.

The Rotary Memorial Scholarship Fund

selects persons who live or work in Allen County who are in pursuit of a degree or certification and will attend a school or college in Allen County. The intent of the scholarship is to encourage Allen County employees and residents to work and plan for their futures within our county. As of March 2017, over 870 adults wishing to continue their education have received scholarships from the Lima Rotary Club. These scholarships total over \$570,000. Degrees or certifications can be achieved at The Apollo Career Center (Adult Education), Bluffton University, James A. Rhodes State College, The Ohio State University at Lima, and The University of Northwestern Ohio. All residents who live in and employees who work in Allen County are eligible. Applications can be obtained from any of these institutions or the Lima Rotary Club.
