

Flowing Forward: A Clean Water Celebration

June 27th 11:30 AM - 2:30 PM

Defiance County Extension Office

Join us for a guided tour of the Defiance Agricultural Research Association Research Sites to see firsthand how conservation practices are improving water quality and supporting productive agriculture.

Why Attend?

- See how research at the facility is helping reduce nutrient runoff
- Learn practical strategies to improve soil health and farm resilience
- Hear directly from OSU researchers and other community partners
- Connect with fellow farmers, conservation leaders and Rotarians
